Dear Jackie,

Eric and Andrew's wedding was so fabulous! Thank you for your attention to detail and calmness amid the hoopla. I hope you received as many compliments and we did! Nearly everything went flawlessly, and our guests seemed to enjoy themselves greatly (a few

a bit too much perhaps!)

We've been getting photos on-line from friends and Eric is right - it exceeded her expectations which is pretty unipossible to do. It's all sort of a blur to me!!

Thanks for all you and your staff did for us all!
